FreeWall2
Space division

Smart way to organise the workspace

FreeWall2 is a free-standing wall with smart way to shape and organise your workspace. It provides many possibilities, whether for a single workstation, workspaces for small or large teams.

FreeWall2 partitions and connects at the same time. It offers cable management and linkage facilities, plus it enables you to define your own acoustic and visual screening preferences.

B2131

ACOUSTICS & PRIVACY

FreeWall2 provides a wide range of panelling offering visual and acoustic privacy to suit specific needs. This provides greater privacy and enhances concentration.

B2157

TAILORED TO SUIT INDIVIDUAL NEEDS

It adapts perfectly to the user thanks to the height-adjustable shelves with no need for tools. It also allows space for organisational tools, technical equipment and storage space on 3rd level.

B2108

INTELLIGENT DESIGN

FreeWall2 offers a horizontal interconnecting cable channel to store a large amount of cables. Quick and effortless mounting and panelling replacement.

B3272

MULTIPLE CHOICE

With its multiple colours and materials, FreeWall2 blends harmoniously into any environment. Panels can be replaced easily to change colours or function.
